HESS LAKE

NEWAYGO — MICHIGAN — GRANT

COMPILED BY

HESS LAKE IMPROVEMENT

ASSOCIATION, INC.

FOR ITS MEMBERS

MAY 1, 1952

This Directory is presented by the
Hess Lake Improvement Association, Inc.,

and gives the names of owners and/or residents of property situated adjacent to Hess Lake in the Townships of Grant and Brooks. This list is taken from the card file of the Secretary of the Association and has been checked against the list of electrical customers of the Consumers Power Co. It is reasonably accurate as of March 15, 1952, but there may be some omissions or errors in addresses and other items which could not be avoided due to methods available to compile the Directory.

We wish to acknowledge the fine cooperation given by the Consumers Power Co. by making available meter lists for this project. The work of checking, indexing, filing and preparation was done by Mrs. F. W. Glade and Mrs. C. A. Peebles and is greatly appreciated.

C. A. Peebles
Secretary,
HLIA, Inc.
